CERTIFICATION

This is to certify that Tejaswini Prasad More has worked with WOOD, Singapore from May 2019 to 19th March 2020 as a Static Equipment Engineer.

During this tenure of employment with us, she has always demonstrated ability, skill and experience on the job assigned to her.

She has been involved as an Originating Engineer in the design, selection and detail engineering of various static equipment for Arkema project in Singapore.

She has earned all round appreciation from colleagues & clients for her sincerity and professional attitude on the job.

I am confident that with her technical knowledge, diversified work experience, problem solving skill and a very proactive work attitude, she will be an asset to any Company.

This certification is issued upon the request of the aforementioned person for whatever purpose it might serve her best.

Yours sincerely,

Sujit Kumar Sengupta
Section Manager Technology & Machinery
