TO WHOMSOEVER IT MAY CONCERN

Anna University has introduced the Credit System of Evaluation awarding Letter Grades and Continuous Assessment since 2008 for the various Degree Programmes offered at Affiliated Colleges. Under these Regulations, the students are given a Grade Card at the end of each Semester, containing the following letter Grades;

S = 10, A = 9, B = 8, C = 7, D = 6, E = 5.

If a student fails in a course, he/she is awarded 'U' grade and in case of a course is incomplete, a letter Grade 'I' is awarded (U & I grades do not carry any Credit points). The GPA (Grade Point Average) for each semester is calculated according to the grades and the credits earned by the student in that particular semester. Also the CGPA (Cumulative Grade Point Average) at the end of each semester is calculated by taking into account the Grades and the Credits earned by the student in the courses up to that semester.

The Final CGPA (Cumulative Grade Point Average) is calculated at the end of the programme taking into account the Grades and the credits earned by the student in all the courses of the Degree Programme in all semesters. The overall performance of the student is indicated by the CGPA on a 10-point scale. To get the performance in mark system, the overall CGPA shall be multiplied by 10.

Mr./Ms. Siddarth S Reg. No. 312213203051 completed his/her B.Tech.,(Chemical Engineering) degree programme at Sri Sivasubramaniya Nadar College of Engineering, TamilNadu, India, Affiliated to Anna University, Chennai in April 2017 and obtained the CGPA of 9.17 and this indicates the overall performance of 91.70% in this degree programme.
