

EXPERIENCE LETTER

I joined Coal India Ltd, a Maharatna Public Sector in July 2013 as Management Trainee in Excavation Dept. of Coal India Ltd. After one year, I got promoted to Assistant Manager in same department. My job profile was to look after the repair & maintenance of Loading machines. Then with same designation, I was given charge of ~~two~~ two sections as Section Incharge from 2017. My profile since then is to run the two sections administratively while meeting the availability ~~to~~ targets of the machines under those sections. In September 2021 I got promoted to Deputy Manager (Excavation) with same job profile.

So I have around Ten years of Experience in a reputed Mining Industry.
