## Experience Letter

I am pleased to write this letter of Experience for Mr. JAIOM JIGARKUMAR JOSHI, who has served as the Managing Director at Ausion Tech Private Limited since 20<sup>th</sup> January 2021. During his tenure with our company, Mr. Joshi has made significant contributions to the growth and development of our digital manufacturing and 3D printing business.

As the Managing Director, Mr. Joshi has consistently demonstrated leadership, strategic thinking, and a deep understanding of the digital manufacturing and 3D printing industry. He has been instrumental in devising and executing business strategies that have led to increased efficiency, streamlined operations, and improved profitability.

Some of Mr. Joshi's key accomplishments during his time at Ausion Tech Private Limited include:

1. **Business Expansion:** Under Mr. Joshi's guidance, our company successfully expanded its digital manufacturing services, opening new market segments and securing key partnerships with major industry distributors.
2. **Product Diversification:** He played a crucial role in the development and launch of innovative 3D printing solutions, which have received positive feedback from our clients and significantly contributed to our revenue growth.
3. **Team Building and Management:** Mr. Joshi has been exceptional in building a cohesive and motivated team, fostering a positive work environment, and inspiring our employees and interns to excel in their deliverables.
4. **Client Relations:** He has been proactive in engaging with clients, understanding their needs, and ensuring the delivery of top-notch services, resulting in increased customer satisfaction and repeat business.
5. **Financial Performance:** Mr. Joshi has major role to play and continues to deliver his service in strong financial acumen, implemented cost-effective measures, accounting practices and drove revenue generation initiatives that have positively impacted our company's financial performance

Sincerely,

Madhav Makwana  
Technical Head
