Dear Ma'am/Sir,

I appreciate your support in sharing the information regarding MBA Power Management from UPES through Online mode. I have applied for the July 2024 session.

I have gone through the eligibility criteria as mentioned in the mail. I find myself eligible, but I am not able to submit my Graduation Degree as it is not available with me right now. I assure you that within one year, I shall submit the same to the University of Petroleum and Energy studies.

I have attached copies of my LLB marksheets (Years 1 to 5). I assure you that I will submit the remaining required documents to the University, within the above mentioned period.

I understand that admission is considered as provisional and will submit my remaining documents (including 10th, 12th and Graduation Degree) within 1 year of admission otherwise my candidature may be cancelled.

Also, I understand that the fees will be non-refunded if documents are not submitted. Please proceed with the admission and let me know the further process.

Regards,

Rahul Haridas
