Dear Mam/Sir,

Thanks for your support for sharing the information regarding MBA Power Management from UPES through Online mode. I have applied for the Jan 2025 session.

I have gone through the eligibility criteria as mentioned in the mail. I find myself eligible, but I am not able to submit my Graduation degree because I could not collect my marksheet from my college at the passing time. Currently my leg is fractured and i could not go to college. I will be fit to go to college in next two and half months and collect my marksheet . I assure you that within two and half months , I shall submit the same to the University of Petroleum and Energy studies.

My CGPA/marks in Graduation are 63%. I assure that I will submit the required documents to the University, within above mentioned period.

Kindly note, admission is considered as a provisional and will submit my remaining documents Graduation Degree within 1 year of admission otherwise my candidature may be cancelled.

Also, I understand that fee will be non-refunded if documents not submitted. Please proceed with the admission and let me know the further process.

Yours sincerely,

Harsh Vardhan
